

Legal representative form

Please complete this form to notify us that you have lawful authority to act on behalf of an existing AJ Bell customer. This authority can be in the form of a Power of Attorney granted by the customer, or a Deputy Order granted by the Court of Protection. Please note that an attorney or deputy can't open an AJ Bell account on behalf of a customer – the customer must already have an existing AJ Bell account or open one themselves.

If there's more than one attorney or deputy, we can only appoint one to act for the customer's AJ Bell account(s). If an alternative attorney or deputy wishes to act on behalf of the customer in the future, we can update the customer's records on receiving a new Legal representative form. Unfortunately, an attorney can't open a joint Dealing account with a customer unless the attorney and customer are spouses or civil partners.

Before you can act on behalf of a customer, as deputy or attorney you will need to have an account with AJ Bell. This is to ensure you've completed all the required identity and verification checks. If you don't have an account with AJ Bell, you'll need to apply for one at ajbell.co.uk. Once you've received your new account number, you can go ahead and send us this form.

Please use BLOCK CAPITALS only and blue or black ink, ticking boxes where appropriate.

If you would like a copy of this or any other item of our literature in large print, Braille or in audio format, please contact us on 0345 54 32 600 or by email at help@ajbell.co.uk.

Once completed and signed, please return the form to us at the address below or email a scanned copy to newaccounts@ajbell.co.uk.

Completion notes

For both a Power of Attorney and a Deputy Order, we need to see the original document or a copy.

A copy of a Power of Attorney must be certified by a solicitor, a notary public or the customer themselves. The person certifying the Power of Attorney **must write on every page** of the document their full name, their signature, the date, and wording confirming that each page of the document is a 'true and complete copy of the corresponding page of the original'. We also require a **wet signature** on the certification.

We can accept a non-certified copy of a Lasting Power of Attorney provided we can verify it via the 'Use an LPA' online service. This is only available for Lasting Powers of Attorney registered after 16 July 2020. Attorneys and donors are sent an activation key that they can use to create an account online. Once they've done this, they're given an access code that they can give to organisations and account providers.

We'll return any original documents to you by recorded post.

Unless you notify us otherwise, we'll apply the Power of Attorney or Deputy Order to all accounts the customer holds with us.

If you hold an Ordinary Power of Attorney or you hold an Enduring Power of Attorney that hasn't been registered with the Office of the Public Guardian, please contact us if the customer later becomes mentally or physically incapable as the Power or Attorney will no longer be valid.
